***Place                                  Date                                  Signature of applicant***

## **GUIDELINES FOR THE COMPLETION OF THE APPLICATION FORM**

### **GENERAL**

The closing date for applications is 15 March and 15 September. Any applications that have been submitted or postmarked later than this date will not be taken into consideration during the current semester.

#### **An application shall consist of**

- completed and signed application form
- project description
- list of published and unpublished works
- curriculum vitae
- copy of certified examination certificates and certificates of service
- documentation of own funding

stapled together in the specified order, in **4 copies**. Certificates will **not** be returned to the applicant. Testimonials will not be taken into account when applications are being considered.

**Applications that not comply with these demands will not be processed.**

### **ADMISSION TO THE DOCTORAL DEGREE PROGRAMME**

When applying for admission to the doctoral degree programme with one's own funding (staff in academic institutions with time for their own research, private means, research fellowship from the Quota Programme etc.) the applicant must submit satisfactory documentation of own funding of the research education.

Normal time for a ph.d. degree is 3 years of full time study. An applicant with external financing must be able to document that they will be able to work at least 50% of their normal working time on their doctoral work.

### **PROJECT DESCRIPTION**

The project description shall be **no more than 10 pages** in length, including footnotes and bibliography. The project description must include a progress plan.

### **SUPERVISOR**

A supervisor shall be a person holding an appointment in the Faculty. Normally no financial support is provided for an assistant supervisor or any supervisor external to the Faculty. The supervisor shall be a professor or hold a doctoral degree or be in possession of equivalent qualifications. Admission of a candidate implies that the programme has the necessary supervisory expertise and capacity in the field in which the candidate wishes to write his or her dissertation. A supervisor will be appointed on admission.
